Are you looking for a place where you can learn and grow while being acknowledged for your outstanding skills and abilities?

Who we are:

Animal ONE® is a 100% employee-owned veterinary practice group where you can be successful, create happiness, advance your career, and build wealth! We are looking for a well-rounded experienced Veterinary Assistant who would like to help make Animal ONE® the most desired veterinary employer and provider in the United States and an awesome place to work!

At Animal ONE, we have created a work environment that:

- Compensates and rewards quality of work, pet parent satisfaction, and teamwork; and utilizes each person's skills and abilities.
- Includes a fantastic benefits package with 100% employer paid dental insurance for the employee and their dependents and a HMO health insurance option that is 100% employer paid for the employee and their dependents, and a generous tuition reimbursement benefit to help you build your career. *(See our website Careers page for details on our comprehensive benefits.)*
- Provides a beautiful and calm atmosphere for patients, clients and staff, equipped with ample exam rooms, treatment tables, and computer workstations; a surgical suite; designated dental area; break room and staff restroom, top-of-the-line medical equipment and lab, and Costco WELLKennels (vs. noisy cold steel cages) equipped with lighting and temperature controls, glass facings, and other features that make providing care to pets easy and enjoyable.
- Provides each new team member with onboarding by a mentor who provides instruction on our equipment and procedures to ensure a new hire will be successful and comfortable in their role

You are a great fit if you have:

- ✓ At least two years of well-rounded comprehensive experience as a Veterinary Assistant.
- ✓ Ability to perform initial patient evaluation and triage – obtain and document basic history, reason for the visit, and presenting symptoms
- ✓ Skill in obtaining body weight and temperature and assisting the veterinarian with exams using play, affection and effective holding to make the patient's visit as stress-free as possible.
- ✓ Ability to assess vital signs, and independently perform charting during anesthetized procedures (heart and respiratory rate, temperature, and blood pressure).
- ✓ Ability to collect necessary supplies prior to and during the patient visit, perform x-rays and imaging, and complete or assist with treatment area activities and Technician Appointments.
- ✓ Ability to enter information in the Practice Management Information System, perform check-out and forward booking, and maintain the cleanliness of your assigned exam room.
- ✓ A team spirit and willingness to assist fellow VAs, RVTs, and CSRs, perform supply inventories, process laundry, and work on special projects and assignments,
- ✓ Ability to anticipate and respond to visual and auditory needs of patients, and lift/carry at least 40 lbs.
- ✓ Ability to work independently and as part of a team, compassionately assist pet parents who are under duress, and create a positive environment for patients, pet parents, and staff.
